| Classic technique sprint | Classic/free technique distance | Free technique distance          |

**Start:** To get to the start, the participants must follow the instructions. Only competitors are allowed to enter the starting area.

**Bibs:** Bibs are picked up by Team/club at the race office. Bibs are returned at the finish area in a marked box. A non-returned bib will be charged the team/club with SEK 500.

**Sprint:** The athletes who advance to the quarterfinals will personally pick up a new bib and leg bib at heat selection. Leg bib must be attached to the left leg. Preliminary time for heat selection is about 15 minutes after the last participant in the prologues has crossed the finish line. Time for heat selection will be published at the website in connection with the start lists for the prologues are published.

**Deletions:** Deletions are submitted to the race office or at the Team Captain's Meeting (class, start number, name, club). SSF TA will be open for changes one hour before the Team Captain's Meeting. Bibs for late withdrawals are handed in to the race office.

**Technical control:** Technical control will take place during the competitions.

**Pole measurement:** A measuring station will be available at the stadium for your own measurement. Selection control will take place on Friday and Saturday.

**Team Captain's Meetings:** Thursday 20 November at 18:00 via Teams.  
Friday 21 November at 18:00 via Teams.  
Saturday 22 November at 18:00 via Teams.

**A link to the meeting will be posted on the website:**

**Seeding:** **Sprint:** Start order based on the current FIS point list. The top thirty in the prologue advance to the quarterfinals.

**Individual start/Distance:** SM draw with A, B and C group. The draw takes place after the Team Captains' Meeting.

**Timekeeping:** Swedish participants use their own transponder. If Swedish athletes lack a transponder/have a broken transponder, this can be rented at the race office for 150 SEK/day. All athletes will wear two transponders (one of which is borrowed from the organizer). Foreign athletes borrow two transponders. Loan transponder for each participant is included in the bag with bibs. The loan transponders are kept during the weekend and returned to the race office after the last competition that the athlete participates in. The participants put on both transponders themselves before the start. One on each leg. Lost/not returned transponder will be charged the team 1000 SEK. **Functional test of personal transponder** is possible from the afternoon of Thursday 20 November outside the race office.

**Live Timing:** Live timing is via <http://live.skidor.com> and the FIS app.

**Competition rules:** International Ski Association competition rules ICR with the Swedish Ski Associations supplement.
